

Ministry of Foreign Affairs Receives Health Insurance Offers

As the health insurance contract for the employees and their families in the Iraqi diplomatic missions abroad is about to expire, the Ministry of Foreign Affairs announces its wish to receive offers for health insurance programs in accordance to the international terms and privileges to cover all of our employees and their families abroad. Any health insurance company wishing to apply has to provide its offer to the Health Insurance Section at the Ministry. The deadline is June 30, 2014. The applications should be submitted to the following e-mail to be studied.
